Critical legal studies (CLS) is a school of critical theory that first emerged as a movement in the United States during the 1970s. Critical Legal Studies adherents claim that laws are used to maintain the status quo of society's power structures; it is also held that the law is a codified form of society's biases against marginalized groups. Despite wide variation in the opinions of critical ...
An intellectual movement whose members argue that law is neither neutral nor value free but is in fact inseparable from politics. Critical legal studies (CLS) is a sometimes revolutionary movement that challenges and seeks to overturn accepted norms and standards in legal theory and practice. CLS seeks to fundamentally alter jurisprudence, exposing it as not a rational system of accumulated wisdom but an ideology that supports and makes possible an unjust political system.
